Sub:- APFD - IT – APFMIS- 62nd Vana Mahostavam Planting (2 Million Planting Programme) data entry – Instructions– Reg.

* * *

It is to inform that a Web application has been developed under APFMIS, to capture the details of Planting activities taken up under **62nd Vana Mahostavam Planting (2 Million Planting Programme)**, and this Web application is hosted on APFMIS Server. And a link is available at www.apforest.org/apfmis home page to access this Web application.

The Planting details can be entered into this Web application by logging into the application with the existing usernames and passwords already given for POR data entry purpose. There is a provision to upload the **photographs** of planting Programme and **Latitude, Longitude** of the Planting site, along with other information.

Hence, all the Chief Conservator of Forests / Conservator of Forests are requested to issue necessary instructions to the Divisional Forest Officers concerned and in turn to all the Forest Range Officers to enter the details of the Planting Programme into the Web application and they are requested to monitor the data entry till the entire planting data is completed.
